OUR KEYS TO SUCCESS

National High School Basketball Team

Our National High School Team includes students (grades 9-12) that have a passion for being and playing the absolute best at their level.

Our National High School Team is one of the core teams for an ELITE High School Basketball circuit named THE GRIND SESSION. This circuit allows us to play top talent such as Hillcrest Prep (HS team) and Oakhill Academy. Alumni from this circuit include Thon Maker (NBA), Josh Jackson (KU) and Deandre Ayton (AZ)

Alumni from our National High School Team include Jordan Giles (University of Kansas City Missouri), Adam Saeed (Shawnee Junior College) and Romani Hansen (Pensacola State).

Post Graduate Basketball Team

Our Post Graduate Team features students that have graduated from High School (1 year post). During their season the PG team faces off against top Community Colleges and Preparatory Programs across the country. We only participate in high level competitions that maximizes the exposure to college coaches.

Post Graduate students are expected to be mature, disciplined and polished in order to be successful in our 9 month program.

Alumni from our Post Graduate Team include Tahj Eaddy (Southeast Missouri), Isaiah Boissard (Baton Rouge CC) and Marc Crawford (Independence CC)
